

## **A Call to Track & Field** **Coaches, Officials & Volunteers**

**Save the Date: December 7<sup>th</sup>, 2013**

**Weights and Measures Workshop**  
**Missouri University... Hearnese Arena**  
**Upper level Room 317 (near the track & Field Offices)**  
**Saturday, December 7, 2013, 1:00 – 4:00 PM**

The University of Missouri Track & Field staff, along with the certified officials of the Missouri University Track & Field Association is proud to host a WEIGHTS & MEASURES training workshop. Please join us to help develop the future of implement processing for all level of track meets in the state of Missouri or elsewhere.

Careful and fair implement inspection **keeps the sport honest.**

**[Come join us!](#)**

The workshop will cover: Meet management from the Implements Inspector's point of view, the log in process for implements; the organization of implements within your shop; the fair and timely delivery to the competition site and implement retrieval. Implements will be on hand; the workshop will include hands on practice.

***We will teach the entire process!***

**Indoor implements considered: Shot put and Weight**

**Outdoor implements considered: Shot Put, Hammer, Javelin and Discus**

**Note to all High School Coaches: The state of Missouri will introduce the javelin to High school field events in 2014. This workshop will allow you to learn the certification process for both the 800G and the 600G javelins.**

**Please RSVP (No Cost Just your time and wanting to learn and be a part of the future of track & field in Missouri)**
