

Dear Supporter of Track & Field and Cross Country,

The Shocker Track Club (STC) was established with a mission of maintaining an organization of volunteers to help fund and support Wichita-area Track & Field and Cross Country activities.

STC supports the training and competition efforts of elite, open, masters and youth athletes by sponsoring clubs to foster development and competition.

The STC needs you to get involved as a volunteer, official or supporter of Track & Field and Cross Country by making either a time or monetary contribution.

On behalf of the Shocker Track Club, we appreciate your interest, time and support.

STEVE RAINBOLT
Director and Head Coach
WSU Track & Field and Cross Country

DARREN MUCI
President, Board of Directors
Shocker Track Club
