VOLUNTEERS & HISTORY

OFFICIALS & VOLUNTEERS

USATF certified officials and volunteers are needed to help facilitate Wichita State's cross-country, and indoor/outdoor track and field meets. Contact us at info@shockertrackclub.com for details.

HISTORY

Wichita State University Track and Field Director, Steve Rainbolt, and Assistant Head Track Coach, John Wise developed the Shocker Track Club concept in 2010. Longtime USATF official Darren Muci was approached about leading an initiative to form a track club that would:

(1) Provide USATF certified officials and volunteers for Wichita State University Track and Field and Cross Country meets,

(2) Help raise funds to support local track and field initiatives, and,

(3) Help develop and support Elite, Masters/Open, and Youth track teams.

The Shocker Track Club was incorporated in 2011, and is currently pursuing approval as a 501(C)(3) non-profit organization.
